

Welcome to the CARP Sudbury Chapter

A New Vision of Aging for Canada

Our Chapter is comprised of CARP members who volunteer our time, talent and sense of community spirit to advance CARP's mission and keep area members informed of CARP's Advocacy, Benefits and Community activities. Through our volunteer Board and Committees, our Chapter provides opportunities for members to get involved in the social issues that affect Canadians as we age and to strengthen CARP's voice and influence locally, regionally and nationally.

We invite all CARP members living in Greater Sudbury to join us. You will meet new people, have fun, and do good things for your community. We have a number of goals for this year and would be delighted to have you join us.

And please note, if you are currently a CARP member, or want to become one, there is a small fee to join our Chapter of five dollars (\$5.00) per year.

You can support our Chapter by simply including our **CARP Sudbury Chapter #9** on the membership form when you become a member, or re-new your membership. By including our Chapter #9, whether you register online, over the telephone, or on the printed membership form, a portion of your CARP membership fee will be allocated to our Chapter so we can continue to be a valued resource in our Community.”

If you would like more information, please feel free to contact me by e-mail at carpsudbury@sympatico.ca.

Thanks.

Patricia (Pat) A. Douglas
